

# 4M SOLAR SOLUTIONS

Empowering Tomorrow with Clean, Smart Solar.

## WHY INDUSTRIES ARE SWITCHING NOW?

### Problem :

Grid tariffs are increasing annually.

### The Solution:

- ✔ 40% Accelerated Depreciation (Tax Benefit)
- ✔ ROI in 3-4 Years (Free power for 20+ years after)
- ✔ Reduce Overhead Costs immediately
- ✔ 25-Year Performance Warranty

## EMPOWERING

# The Unveiled History of **4M SOLAR SOLUTIONS**

Welcome to **4M Solar Solutions** - Chennai's trusted name in clean, future-ready energy.

For 3 years, we've been helping homes, businesses, and industries across Tamil Nadu go solar with safe, reliable systems built to last.

We make the switch simple and affordable with flexible plans — **CapEx, EMI, or BOOT/RESCO** — backed by NBFCs, banks, and investors.

From design to installation and maintenance, our expert team takes care of everything, ensuring quality and cost-effective results.

At **4M Solar Solutions**, we believe in innovation, integrity, and sustainability.
